

how to: differentiate strida 1, 2 (and 2.5), 3

strida 2.5 – note exposed steel stem for folding handlebar compliance.

- strida1 has a black stem and is slightly smaller
- strida2 has a grey stem
- strida 2.5 is grey, with an exposed steel stem for folding handlebars
- strida3 has an all-metal aluminum stem

STRIDA

a whole new way to move

how to: differentiate
strida 1, 2, 3
